

CUMBERLAND CUP 2010 - 13th-17th May

Once again the Cumberland Cup will be a two-boat team racing competition. The event provides top-class team racing with our reciprocal Clubs and an outstanding social programme based in and around our Club house in Knightsbridge, London.

The sailing for the 2010 event will take place on the open waters of the Queen Mary Reservoir to the west of London and will use our newly acquired fleet of J 80s.

An extensive social programme is planned for competitors and also for those team supporters who may not want to spend each day watching the racing.

We very much hope you will wish to send a team. I look forward to welcoming you to the Royal Thames Yacht Club in London.

Yours sincerely,

Mike Halstead

Rear Commodore (Sailing)
